RUN NO. 43 - JAMES DIXON

From James' home - 30 Delaware Avenue, Durban North. (Along Kensington Drive, past Margaret Maytom Circle, down the dip to next circle, first left off the circle is Delaware)
DATE: WEDNESDAY 30TH JUNE, 1982. TIME: 5.15 p.m. for 5.30 p.m.

RUN NO. 42 : KEN REARDON/GEOFF TAYLOR.

A large contingent of Durban H.H.H. graced this run with their presence. Welcome in particular to Abercrombie and Andrew making their first appearance with N.D.H.H.H. The Reardon/Taylor combination was in fine form. Taylor will be remembered in perpetuity for introducing yellow chalk - a great success. Future Hares please note the use of double lines (another Taylor innovation?).

A brisk jog led us across the freeway (minus 10) and then up the hill on the other side. There followed a short trail through the bush where we were led by Taylor and then on on to the half way mark where our Hares had secreted a package containing orange and lemon quarters for refreshment (a N.D.H.H.H. first). Some public spirited citizen had obviously seen the package and reported the matter to the police. A note attached to the package read "Protection Services - this parcel was reported to us - we thought this was a bomb". Perhaps if Ken had left a bottle of Tequila in the package the contents would have been explosive - and the lemon would have tasted that much better. From here the trail led down the hill past Evil's home (did you notice the cases of cool drinks piled up in the garage - Dennis' mixers) and over the freeway (plus 10) and home to the rub-a-tub. There followed the usual boozing, eating and bullshit - a great evening.
